Information Request Questions: Owners/Operators – Lead Battery Facilities

Identify all persons, including Respondent's employees, who have knowledge or information, who may have arranged for disposal or treatment, or arranged for transportation of spent batteries, or other waste materials, including hazardous substances to the Site. In addition, identify the following:

- a. the persons with whom you or such other persons made such arrangements;
- b. the type of arrangements made;
- c. every date on which such arrangements or shipments took place;
- d. the number of spent batteries sold to Company Y and the date of sale, the amount of batteries sold, and condition of the batteries at the point at which they were transported to the Site;
- e. the total quantity of spent batteries or waste materials or hazardous substances as listed in Subpart C of this section.
- f. all tests, analyses, and analytical results concerning the spent batteries, or waste materials, and any other information reflecting the condition the spent batteries were in at the time of sale.
- g. the amount paid or collected in connection with each transaction, the method of payment, and the identity of the person from whom payment was given or received.
- h. where the person who purchased spent batteries, waste materials or hazardous substances transported or indicated an intent to transport such materials;
- i. the measures taken by you to determine the actual means of treatment, storage, disposal or other use of spent batteries, waste materials or hazardous substances by Company Y, and/or the ultimate disposal or disposition of such materials.
- j. all documents containing information responsive to a-i above.
- k. all persons with knowledge, information, or documents responsive to a-i above.
